Toshiba Satellite A210 Battery Replacement

This guide will show you how to remove the battery from the Toshiba Satellite A210 laptop.

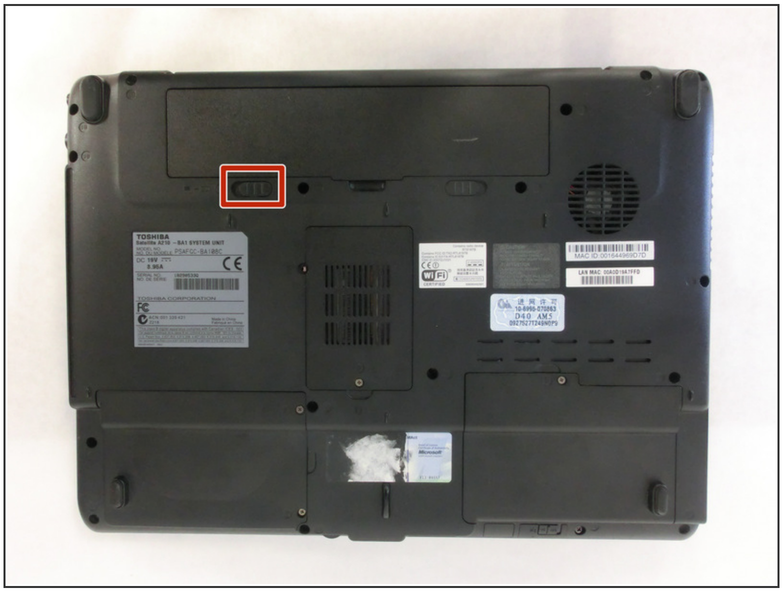

Written By: Devin

INTRODUCTION

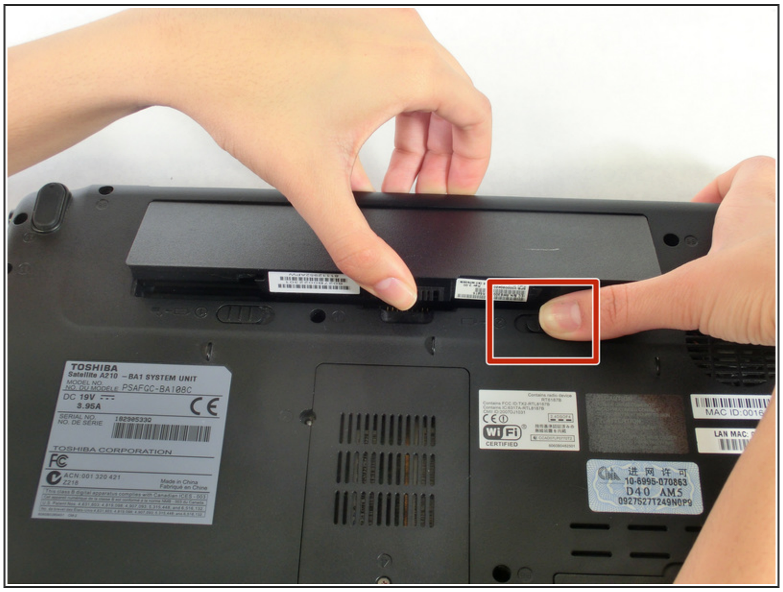

This guide will show you how to remove or replace the battery of the Toshiba Satellite A210 laptop. No tools are necessary for this procedure.

Step 1 — Battery

- Unplug the AC adapter and all other auxiliary components from the laptop.
- Slide the battery lock tab away from the center of the laptop to unlock the battery.

Step 2

- Slide the battery release tab away from the center of the laptop and hold it.
- Lifting from the small notch between the two tabs, pull the battery out of the laptop.

To reassemble your device, follow these instructions in reverse order.
